DENIS SMITH'S

VIEW POINT

After two away games last week we return to Bootham Crescent tonight for the first of three home matches in a week with Darlington here on Saturday and then Grimsby next Tuesday in the Milk Cup.

To be honest I don't know too much about Bolton this season. They've strengthened their squad during the summer and Mal Crosby watched them in action on Saturday so we'll have been looking at his report in our build-up for tonight's game.

I was reasonably pleased with our performance in our last home game against Bristol City, particularly in the first half. They got more into the game in the second period and their equaliser caused quite a lot of comment after the match.

Everyone I talked to seemed to think that the referee should have stopped the game before they scored when they had a man laid out in our penalty area. Despite that, I thought we turned in a good all round display and the introduction of Steve Senior and Alan Hay at full back gave us a more balanced look at the back.

Our draw at Blundell Park in the first leg of the Milk Cup tie sets things up nicely for the second leg here a week tonight. We had to defend hard, especially in the first twenty minutes or so, but we stood our ground well and gave Grimsby one or two problems as the match developed.

One of the aspects of our play that pleased me at Grimsby was the way we kept going for the full ninety minutes. We've tended to play in patches this season but at Grimsby we battled hard throughout the game and deserved to come out of it with the draw that means there's everything to go for in next week's second leg.

Before our game at Gillingham on Saturday we'd been beaten only once in six matches, four of those away from home, and we'll be hoping to make progress in the League with our two home fixtures this week.

Reserve action with Malcolm Crosby

After the disappointing home result against Port Vale we went to Coventry and achieved a fine 2-0 win at Highfield Road.

We could easily have won by an even bigger margin. Apart from scoring twice in the second half we missed a penalty and went close on a number of occasions.

Everybody in the side played well. Andy Leaning had a useful game in goal and the back four did well too with our youngsters Stuart McKenzie, Mike King and David Spofforth showing up well.

We went ahead in the second half when Martin Butler scored and we made sure of our win later on when Marco Gabbiadini's shot was turned into the net by one of the Coventry defenders.

Considering the problems we had in the previous game, it was good to turn on such a pleasing performance, one we hope to maintain over the next few games at Scunthorpe tomorrow and then at home to Sunderland tomorrow week, October 9th, kick off 7 p.m.

CITY AWAY CHESTERFIELD v YORK CITY Saturday, 12th October

After three home games in a row, City are on their travels again on Saturday week to meet last season's Fourth Division Champions at Saltergate.

The AA recommend the following route leaving York on the A64, signposted Leeds, turning left to join the A1 South, A1(M) and M18 south, to join the M1 South at Junction 32. Leave the Motorway at Junction 30, signposted Chesterfield, and at the roundabout take the first exit, the A616. At the next roundabout take the second exit (A619) for Chesterfield and near the town follow signs for Old Brompton into Saltergate. The ground is on the right. Street parking is allowed near the ground and there are also public car parks within a short walk of the stadium.

JUNIOR Spotlight

On September 21st we travelled to Grimsby expecting a hard game as they are noted for always fielding a big, strong side.

Fortune was on our side however and a direct free kick by trialist Simon Bergara after only five minutes carried over the 'keeper's head as he misjudged the flight of the ball.

Grimsby equalised twenty minutes later but 'Charlie' Holmes restored our lead making sure from close range.

Unfortunately, a series of 'schoolboy' errors allowed Grimsby not only to equalise, but to go in at half time with a 3-2 lead.

In the second half we competed with more determination but generally our performance was not very good. Grimsby scored another goal to win comfortably.

During the schools half term this month a game has been arranged against Hull City to be played on Boothferry Park. The two sides will consist of some of the boys on the Youth Training Scheme, associated schoolboys and possibly one or two trialists.

A squad of 14-year-olds has also been invited to play in trial matches from which we will select a team to play a strong North East Representative squad.

The prime reason for this is to assess the potential of boys to be signed on associated schoolboy forms.

We will also be looking at boys attending the final trial to represent North Yorkshire in the actual representative games during the season.

IAN HOPE

SUPPORTERS CLUB SCENE

How's your memory David McAughtrie? Bard Sarheim writes from Trondheim in Norway recalling the day he saw you score the winning goal for Stoke City in a friendly match against FK Rosenborg in Trondheim's Lerkendal Stadium.

Bard is coming to York shortly and will be hoping to take in a couple of City games.

Calling Chief Petty Officer Keith Simpson serving on H.M.S. York. Wherever you may be serving at this moment I know you will be following closely the progress of York City.

Maybe Keith will have a story to tell when he finds leave to visit Bootham Crescent. He says: "It is everyone's dream to serve on the ship that bears the name of their home city". Best wishes from the Supporters Club Keith.

I will conclude tonight by saying Hello to David Carroll who lives in County Clare, Eire. David is our only member in the Republic and is just recovering from an operation. How's it going David?

Back row - l/r: Mark Came, Dave Sutton, Simon Farnworth, Paul Fitzpatrick, Sam Allardyce
Middle row - l/r: Walter Joyce (Coach), Steve Thompson, Tony Caldwell, Jimmy Phillips,
David Cross, Roger Walker, Warren Joyce, Peter Nightingale (Physio). Front row - l/r: Asa
Hartford, Derek Scott, Graham Bell, George Oghani, Dean Roberts, Simon Rudge, Charlie
Wright (Team Manager).

Bolton picked up their first away win of the season in the League at Newport County ten days ago and will be hoping that first success marks the start of a consistent run after an in and out start to the campaign.

Before that win in Wales, Wanderers had drawn at Doncaster and suffered defeats in their other two away games at Gillingham and Walsall. On their Burnden Park ground Bolton recorded draws with Rotherham and Lincoln, a win against Wolves and a 4-1 defeat by near neighbours Bury before their game with Plymouth on Saturday.

Charlie Wright, the former City manager who took over in charge at Burnden Park last season from John McGovern reinforced his squad during the summer with three vastly experienced signings.

Sam Allardyce, who made his name with Bolton in the 'seventies and was a member of the club's Second Division promotion side, returned to Lancashire after moving on to Sunderland, Millwall, Coventry and Huddersfield.

In midfield, Wright secured the little Scot **Asa Hartford**, released by Norwich at the end of last season after helping them win the Milk Cup Final with their winner against Sunderland at Wembley. Hartford has won more than 50 Scottish caps during a career when he has seen service with West Bromwich, Manchester City - two spells, Everton, Nottingham Forest and in America.

And another much-travelled player, **David Cross**, joined Bolton in the close season and

quickly showed the goal touch that has taken him round the League with Rochdale, Norwich, Coventry, West Ham, Manchester City, Oldham, West Bromwich and the United States.

Goalkeeper **Simon Farnworth** won the club's Player of the Year award last season, his second in the League. Defenders **Derek Scott** and **Dave Sutton** moved to Burnden Park during the summer from Burnley and Huddersfield, while **Jimmy Phillips** is a local lad who emerged last season.

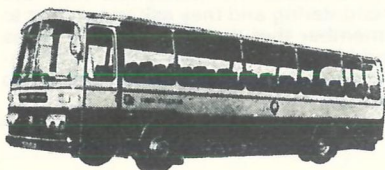

Midfielder **Warren Joyce** has been a first team regular since making his debut in April 1983 and another youngster who has shown plenty of promise is **Steve Thompson**. **Graham Bell** is in his third season with Wanderers after spells with Oldham, Preston and Carlisle.

Tony Caldwell has been Bolton's leading scorer for the last two seasons. He scored 18 in the League last season, two more than former non-League striker **George Oghani** and two youngsters highly rated at Burnden Park are **Simon Rudge** and **Roger Walker**.

Bolton did the double against us last season and were 3-0 winners here in March when they paid their first visit to Bootham Crescent for ten years.

Incidentally, in ten previous League games between the clubs in York, City have still to win, a long run that Denis Smith's men will be hoping to end tonight.
